

TREASURE HUNT THIS WEEKEND

Prizes galore are offered to Drayton Valley shoppers this weekend in the "Treasure Hunt" sponsored by a number of business places in the community from Thursday, April 16th to 18th.

Lucky coupons were distributed with last week's issue of The Western Review. Bring yours with you shopping and check the numbers on prizes in the business places taking part. A list of them is printed elsewhere in this paper.

Find a prize with your number on it, and you're a winner. Numbers will be changed and new ones added during the three-day hunt -- so if you're not lucky first time around you still have more chances.

Check the specials in this week's paper -- and join the fun in Drayton Valley's big spring shopping event.

'Wild Splendor' to Show Here Saturday

One of the most difficult and demanding tasks of a film-maker is to capture the true spirit of his theme through sight and sound. In Wild Splendor, this has been achieved.

This film of North American wildlife -- from the Florida Everglades to the high Arctic -- truly stands as one of the great productions of its type.

Residents of Drayton Valley and area will have the opportunity of seeing the movie in the Frank Maddock High School on Saturday April 18th at 8:00 p.m.

Mr. Al Oeming, director of the world-famous Alberta Game Farm, will be present to narrate the film having worked closely with producer Heinz Sielmann in locating the various species to be filmed in the field.

Viewers will be treated to a moving and dramatic description of our last frontier of wildlife. Filmed by the world-renowned German photographer Heinz Sielmann, Wild Splendor stands in a class by itself -- truly, as one critic termed it, "a classic epic of all wildlife films."

The 3,500 feet of film in the movie was carefully selected from some 96,000 feet shot during 1966 and early 1967. Supported by top narration and an original music score, the one and one-half hour presentation takes its audience on a tour of their own land that they have never or rarely seen.

Beginning with a sequence in the Everglades, complete with rare tropical birds and a rattlesnake fighting an alligator, the film unveils the color of wildlife in the Rockies, the Arctic, offshore islands in Hudson Bay and the great seal-bearing islands in the Bering Straits.

In the film and the narration,
(Cont. on Page 2)

P.C. Nomination Meeting Thursday

Progressive Conservatives of the new Drayton Valley Constituency will meet in the Elks Hall in Drayton Valley on Thursday, April 16th for the first nomination meeting of the electoral district created by recent redistribution.

Two candidates have already announced their intention of seeking nomination. The declared candidates are Bill Tuttle of Drayton Valley and Rusty Zander of Tomahawk.

The meeting is called for 8:00 p.m.

Al Oeming with his famous pet cheetah, Tawana.

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA
WEDNESDAY, APRIL 15th, 1970

Flanked by Sherry Anderson (L) and Joy Meraw, Carnival Queen Jo-Anne Swendseid is crowned by last year's Queen Joyce Rendflesh.

CARNIVAL AGAIN GREAT SUCCESS

The 15th Annual Ice Carnival held in the Drayton Valley Centennial Civic Centre last weekend followed the established pattern building through the years and was again an outstanding success.

Over 2,100 spectators passed through the turnstiles to make the show one of the most successful in recent years. Two performances last year drew 1,800 spectators compared to this year's total for performances Friday evening, and Saturday afternoon and evening.

Two hundred and twenty-five skaters took part in the production staged annually by the Figure

Skating and Rotary Clubs with proceeds earmarked to aid skating and the Cub and Scout Association.

Theme of this year's show was "Fantasyland" with numbers running from Pinocchio, and other children's favorites to the Pied Piper of Hamelin. Colorful costumes, back drops and lighting carried viewers through the

journey to make-believe land.

During intermission Saturday evening Miss Jo-Anne Swendseid was crowned Carnival Queen by Miss Joyce Rendflesh who won the honor last year. Miss Swendseid, flanked by Princesses Joyce Meraw and Shirley Anderson, was escorted to centre ice to receive her robe and crown.

Following the Saturday evening performance Mrs. Simpson and Mrs. Reid were presented gifts

(Cont. on Page 2)

Bull Show and Sale To be Held Saturday

West Alta. Livestock Breeders Association has completed plans and everything is ready for the 4th Annual Bull Sale and Show to be held at Sekura Auctions in Drayton Valley on Saturday, April 18th.

The show will start at 10:30 a.m. followed by the sale at 1:00 p.m.

Twenty four Herfords and Angus are listed in the sales catalogue two of them females. Contribu-

tors listed include: R. and G. Schaideman, Duffield; Thomas J. Ferrier, Seba Beach; P. Piskunowicz and Son, Duffield; Ben Harrison, Tomahawk; Leo Miko, Evansburg; Norman Johnson, Moon Lake; Lonely Pine Stock Farm, Tomahawk; Leon Aubrey, Mayerthorpe; David E. Case, Tomahawk; and W. G. Medd and Sons Tomahawk.

MAIN STREET

The fellow who knows all the answers seldom pays heed to the questions.

Students to Conduct Mass Media Survey

Students of the Frank Maddock High School English 20 class will be conducting a survey on mass media on April 16th and 17th from 1:00 to 2:00 p.m. in the area east of 50th St. and north of 50th Ave. to the respective outer limits.

This project is in conjunction with a study of the various forms of mass media which is currently in progress. You are in no way obligated to answer this questionnaire but your cooperation would be very greatly appreciated.

Carnival Success

by Vikki Wardlow and Jim Wedman on behalf of the Figure Skating Club.

Gifts were also presented to the club professionals Karen Maines and Paula Venn, Miss Paddy Kennedy of Edmonton, who skated during the carnival, also received a gift in apprecia-

tion of her help.

Senior instructors Vikki Wardlow, Janet Metelski, Aileen Johansson and Debbie Reid received tokens of appreciation from the club, as did junior instructors Bonnie Mohn, Heather McKenzie, Pam Reid and Bev Simpson.

A tape recorder raffled by the skating club and drawn Saturday evening, was won by Mr. Tom Hutton, Jr., of Edmonton

Wild Splendor

(Cont. from Page 1)

the haunting grandeur of Northern Canada, made even more dramatic by superb sound reproductions, will delight people of all ages, whether it is the roar of a bull alligator, the amazing sound-filming of a drumming ruffed grouse, the bugling of an elk, the dramatic sounds of migrating caribou on lake ice or the sharp howitzer-like explosion of big-horn sheep in combat, the sound sequences complement perfectly the exquisite color shots of wild-life.

This film is a must for those who feel deeply about our heritage. It is truly an epic.

Three skaters from Edmonton who performed in last weekend's annual ice carnival are shown above. From the left, Karen Maines, Paddy Kennedy and Paula Venn. Miss Maines and Miss Venn have instructed in Drayton Valley through the winter and will be returning to teach at the summer skating school.

Report from the Legislature

By TONY COX

Farm residences could be subject to municipal property assessment and taxation if a complex report submitted to the Legislature is approved.

Municipal Affairs Minister F.C. Colborne says the proposed tax reforms will not be debated by the Legislature until next year because it would take the government that long to study the technical 50-page document.

The special committee wants all dwellings, including farm houses treated alike for municipal

tax purposes.

Another recommendation has church lands and buildings, community properties, nursing homes, summer camps, youth hostels and senior citizen's properties subject to assessment and taxation. However such categories could be eligible for a rebate if a municipality approved an annual by-law agreeing to such a move.

Other suggestions included replacing the \$50 homeowners discount with a social services tax reduction which would exempt owner occupied dwellings from provincial taxation on the first \$2,000. of assessment but retention of the additional \$50. homeowner grant paid to persons now receiving supplementary old age allowances.

The Alberta government plans mortgage rate subsidies and land rental purchase arrangements for experimental low cost housing projects proposed for Edmonton and Calgary this year. The program could be expanded to rural communities if it proves successful.

Under the scheme, the government will subsidize federal mortgages by up to two-percent, thus reducing the preferred federal interest rate to 5 7/8 per cent, from 7 7/8 percent on 50-year mortgages. The same arrangement applies to apartment owners who agree to rent their accommodation at low rates.

An alternative method will offer land rental purchases in an attempt to reduce the initial down payment for low-income home buyers. The move is an attempt to provide adequate housing for families earning less than \$5,000 annually, said Mr. Colborne.

It could provide town housing or semi-detached three bedroom units costing an average \$10,700 including land for a down payment of only \$500 with rental, involving interest, principal and taxes of less than \$100 monthly.

The government has relinquished its stand on amendments to a bill which several private schools had feared would endanger their independence.

Amendments to Bill 41 which dealt with the education minister's powers over operation, man-

ENTWISTLE NEWS

The winners at the Elks Whist on April 4th were: Men-George Egle, first; George Bullock, second; and Bill Delorey, Con. Women-Mrs. Davies, first; Betty Buckler, second; and Mrs. Messenger, con.

The door prize was won by Polly Hofmann. The next whist will be held on April 18th, in the Elks Hall and everyone is welcome.

Visitors to Entwistle during the Easter holidays were: Maureen and Don Smith and family of Edmonton, Mr. and Mrs. Allan Brown, Grandma Brown, Jean and Jim Coule with Leanne all of Edmonton were at the Robert Brown home and Robert was home from Red Earth.

Marilyn Seedhouse of Leduc spent the Easter holidays at the home of Norine Messenger, and visited all her friends here. All were glad to see you Marilyn.

Marlyne Nelson and girls spent the Easter holidays at Veteran with Mrs. Nelson's parents. It was also reported that the Nelsons are moving to Claresholm in the near future.

Ivan Brown was rushed to the Drayton Valley Hospital on Saturday, April 4th. He was reported as being very ill. We hope you soon be feeling better and home once again.

The Entwistle Home and School Bazaar will be held on May 9th from 2:00 p.m. to 4:30 p.m. There will be bazaar items, baked goods, grab bag, raffle, door prize, plant sale and our annual Mothers Day room.

Any sewing may be left with Penny Dieb or Rosemary Hofmann. There is material available at the home of Shirley Sullivan. For further information phone 727-3592-Mrs. E. Oliver.

agement, control and licencing of pre-school education in Alberta, will now exempt private schools.

Also being deleted is a clause which would have given Education Minister Robert Clark increased control over books and teaching materials in private schools, the right to examine and inspect records of such institutions and the right to appoint a trustee to administer the private school.

A special Legislative report dealing with invasion of privacy accused retail credit bureaus of wielding too much power over the individual.

Robert Simpson, (SC-Calgary North) chairman of the committee hinted at a person's erosion of privacy because such bureaus maintain secrecy over their files.

Although wire tapping and electronic snooping devices used by law enforcement agencies pose the greatest psychological threat to society in general, said the report, the legal side of privacy invasion is not the most important.

It is, suggested the committee, that credit bureaus should reduce the time limitations on their reports and records on individuals from seven to four years. The report also expressed concern at the growing bank of personal information being compiled by computer data and recommended more rigid controls over licencing of private investigators.

A program to help solve the current egg marketing crisis in Alberta follows a demonstration by about 150 farmers outside the Legislative building. They passed out free eggs to illustrate their frustrations and fears about the future. What the government plans is the establishment of an industry advisory committee to advise the Egg Board on the egg market and prices to be paid to producers.

Convention Report Heard By C.W.L.

C.W.L. president Betty McGee Cecile Celbullak and Gil Hasenclever attended the 48th annual Archdiocesan Convention of the Catholic Women's League which was held in St. Albert on April 10th, 11th and 12th.

The theme for this year was "Who draws from His Treasures, New and Old". Mr. Glen Hughes Consultant in Interpersonal Relations was guest speaker on Saturday morning, his speech "Can we help ourselves communicate?"

Bishop James P. Mahoney of Saskatoon, National C.W.L. Director, was guest speaker at the Saturday evening banquet. His most inspiring words left all listeners with a deep-felt feeling of the importance of communication, truth and love within an organization such as the Catholic Women's League.

Govt. Project to Study Recreation

The Hon. Robert C. Clark, Alberta Minister of Youth and Minister of Education has announced details of a project, authorized by the Government of Alberta, which will lead to a master plan for recreation development across the province, including both the private and public sector.

The project will be funded in the amount of \$70,000, through the Human Resources Development Authority, the Department of Youth and the Department of Lands and Forests. In addition, assistance will be provided by the Economics Research Branch, Department of Industry and Tourism.

Mr. Clark said, "I would like to encourage individuals and organizations concerned with recreation development in Alberta to send written comments and briefs or audio-visual and film presentations concerning desirable recreation policy for Alberta to my office in the Legislative Building, Edmonton. In this way a study team will have an opportunity to consider policy alternatives from outside of government, as well as from within."

Minister's Conference on Recreation' planned for October 1970, is to provide another opportunity for individuals, recreation agencies and organizations to consider and make recommendations concerning the direction and scope of recreation for Albertans during the '70's" announced the Minister.

Prior to the conference, the Recreation Branch of the Youth Department will suggest to communities a format or ways in which to bring local recreation agencies and groups together to discuss mutual goals and objectives, problems and concerns. Consequently, when their appointed representatives attend the October conference, they will be prepared to provide constructive suggestions relative to the direction of recreation development in Alberta.

The recreation study project will primarily involve collation, analysis and synthesis of data, which has already been collected in numerous studies, to provide objective criteria on which to base policy recommendations. A study team will provide the government with recommended policy alternatives for the field of recreation indicating the consequences of each of the various alternatives. On the basis of these recommendations the government of the Province of Alberta will formulate a comprehensive set of co-ordinated recreation policies for Alberta.

The Alberta Recreation Committee, consisting of representatives from nine Alberta provincial government departments, will supervise the project.

Funeral Service For Alberta Old Timer

Funeral services were held in St. Anthony's Catholic Church on April 1st by Father Lynch, for Mrs. Angeline Bouffard, age 89, who passed away suddenly at the University Hospital after a short illness.

She was predeceased by her husband in 1931, a son in 1930, and a daughter in 1918.

She was a teacher for 15 years, up to the time of her marriage in 1914, when she came as a bride to Lethbridge, Alberta from St. Joseph de Beaulieu, Quebec.

In 1944, she moved to Mercoal Alberta. She was active in the ladies aid there, where she cared for the altar linens for 15 years. She moved to Drayton Valley in 1960.

She leaves to mourn her passing her daughters Miss Louise Bouffard of Drayton Valley; Mrs. Fred (Alexandrine) Kreklau of Surrey B.C., Mrs. Walter (Marguerite) Austin of Langley B.C. and Mrs. Lawrence (Bernadette) Le Clair of Surrey B.C., 33 grandchildren, and 6 great grand children.

REGISTRATION: GRADE 1 STUDENTS

APRIL 23rd and 24th

Grade 1 Beginners in the Drayton Valley Elementary School County of Parkland, will be held from 1:00 to 3:00 p.m. on Thursday, April 23rd and Friday, April 24th at the office of the Elementary School. - If the time is not suitable please phone 542-3544.

Children must be 6 years by February 28, 1971.

Plans are being made to have these children attend school during the first week of June.

Summary Regular Meeting Parkland School Committee

Meeting of the school committee of the County of Parkland, No. 31, held in the county office on Tuesday, April 7th.

Present were Messrs. R. A. Bailey, George Mann, L. N. Miller, Peter Bakker, R. Lent, Ivan Vowk, Don Gylander, Mrs. A. C. Kritzing and Mrs. Elizabeth Howerly, School Committee Members, also Superintendent of Schools, Mr. Henry Toews, Assistant Superintendent, Mr. W. G. Wilson and Assistant Secretary-Treasurer, A. W. Boychuk.

PROPOSED SCHOOL SITE DRAYTON VALLEY

The following letter from Mobile Oil Canada Ltd., regarding the proposed school site in Drayton Valley was received:-

"Re: AM-0279

AM-0278

PROPOSED SUBDIVISION

BLOCK C

TOWN OF DRAYTON VALLEY.

Dear Sir:

Further to our conversation of March 19, 1970, please be advised that we regard our estimate of \$4,500.00 for the relocation of the flowline in Block C to be fairly accurate. The amount additional to Mr. Tuttle's figure is accounted for by wrapping, flushing and tie-in costs which he did not take into consideration. As previously mentioned, we are prepared to sustain half these costs and your share would therefore be \$2,250.00.

The Town of Drayton Valley indicated they would permit us to use the 8 foot strip of Town land to relocate the flowline in a North-South direction and, as previously discussed, we would request the School District to provide us with a 50' East-West right-of way. Mr. Beckett would be requested to provide us with a small piece of right of way up to the wellsite. We have, at present, had no discussions with him regarding this matter but will endeavour to do so as soon as we are notified of your decisions on these matters.

We will proceed immediately with the execution of this plan upon confirmation of the following:- (1) Your intention to proceed with Block C as a school site, (2) Your agreement with the relocation of the flowline as to assumption of cost and new right of way.

It is most likely that, as an

additional safety factor, we will be placing our present East-West flowline at a depth of six feet using heavier pipe.

We hope this is to your satisfaction and look forward to hearing from you at your early convenience. Yours Very Truly,

It was moved and carried that the matter of the proposed school site in Drayton Valley be tabled until after the meeting with the Town of Drayton Valley regarding joint facilities.

It was moved and carried that because of shortage of space, the following members only, attend the Budget Seminar in St. Albert. Mr. R. A. Bailey, Mr. George Mann, Mr. Henry Toews, and Mr. A. W. Boychuk.

It was moved and carried that Mr. George Mann and Mrs. A. C. Kritzing be authorized to attend the hearing in court on alleged infraction on March 17th.

It was moved and carried that

the R.C.M.P. be requested to attend the School Committee Meeting and present a full report on the alleged infraction on March 17th.

It was moved and carried that a Committee of the School Committee as a whole meet with officials of the Town of Drayton Valley to discuss the possibility of a joint facility agreement on the new proposed High School, the meeting to be held in the County Office on Tuesday, April 14th at 1:30 p.m.

It was moved and carried that the same tuition agreement be continued with the Devon School District for the 1970-71 school year.

It was moved and carried that Article L, Section 4, sub-sections a to d inclusive, as recommended by the Superintendent for inclusion in the Policy Hand Book, be approved.

Leave the wife a tip.

A penny tip? Unheard of! But this is no ordinary penny. It's a power penny! The only penny that has doubled its value in the past 20 years. While the cost of living has gone up, the cost of electrical living has come down. Here are a few good "power penny" tips. Tell the wife!

Brew all the fresh coffee you can drink in a day for one power penny.

One power penny lights the way to your front door for 5 long hours.

One power penny toasts 50 slices of bread — light or dark.

Bake 5 cakes for one power penny.

One power penny dries 2 lbs. of clothes — ready to iron or put away.

A floor polisher and a power penny — another shining example of electrical value.

**CALGARY
POWER**

MORE POWER TO YOUR PENNY
with today's electrical living!

GAINFORD NEWS

Dupras Mr. and Mrs. W. Nadworny and Mr. and Mrs. G. Thomas all of Edmonton.

Cancer Campaign In April

More than 250,000 doors will be knocked upon in Alberta during April when volunteers of the Alberta Division of the Canadian Cancer Society will be calling on the residents of the province to leave "life-saving" information and collect at least \$546,500. Their aim is to support research into a disease which ultimately will be eradicated, support an expanded public information program, and provide some services for cancer patients.

A fresh, positive approach to public information on cancer is beginning to show appreciable results. The Society's year old slogan "Cancer Can Be Beaten" has been well accepted, and it is backed up with the Seven Safeguards. The Society is rapidly swinging to a cancer prevention program while continuing to encourage early diagnosis and treatment. Canadian Cancer Society volunteers are succeeding in their efforts to eliminate "cancer phobia" and reduce fear through a more rational attitude towards cancer.

Progress recorded during recent years in cancer detection and treatment made it possible to adopt the new slogan and accelerate a preventative program. Some experts say 80 per cent of cancer can be prevented.

Regular Meeting School Committee

Cont. from Page 7

STAFF RESIGNATIONS

It was moved and carried that the following staff resignations be accepted: Mr. W. D. Brookes, Mrs. Patricia Hasse, and Mrs. Shirleyanne Michaels.

The School Committee re-assembled after lunch with everybody present except Mrs. A. C. Kritzinger who came in at 4:30 p.m. Mr. J. W. Tyler was also present for the afternoon session.

It was moved and carried that the Superintendent's Report be accepted.

INTERVIEW WITH MR. STAN HODGSON

Mr. Stan Hodgson, Architect, came to the meeting to advise on the progress at the Spruce Grove School. Work on the proposed addition began today.

He advised that now the revised anticipated date of completion on the first phase of the School is July 15th. However, about 5,000 square feet in the elementary part of the school should be ready by June 15th.

ASSISTANT SPTS' REPORT

Mr. W. G. Wilson reported that he was at the Entwistle School and discussed the subject of footwear allowed in the school with the staff. They agreed to revise their regulations to conform with those in the Policy Handbook.

Tenders have been received for the Ceramics Kiln for Seba Beach, the lowest of which was \$591.00. It has been ordered and should be delivered within 60 days.

He presented the following list

of Capital requests for 1970:-

Duffield, \$1,333.10; Entwistle, \$950.54; Keephills, \$1,621.20; Seba Beach, \$6,557.11; Spruce Grove, \$1,977.00; Tomahawk, \$643.00; Wabamun, \$584.00; Winterburn, \$971.92; Drayton Valley Elementary, \$1,844.37; Drayton Valley Junior High School, \$1,529.30; Frank Maddock High School, \$1,702.11; Stony Plain Elementary, \$2,791.05; Stony Plain Junior High School, \$195.75; Stony Plain Memorial Composite High School, \$8,784.15. Total-\$31,485.15

This matter was tabled until after budget time.

Mr. Wilson further reported that during March he made 16 classroom visits. Five new V.T.-R.'s have been received and it is hoped that 3 of the older machine may be traded off on new ones at very little or not any additional cost.

It was moved and carried that the Assistant Superintendent's report be accepted.

It was moved and carried that E. W. Hillyer be authorized to engage a Painter's Helper for the summer months at a salary of \$400.00 per month.

It was moved and carried that 325 new desks be purchased in time for school opening in September.

Mr. Peter Bakker registered a negative vote on the grounds that the above amount is not enough.

It was moved and carried that the expenditure of \$2,873.45 for equipment installation in the Frank Maddock Industrial Arts Shop be approved.

It was moved and carried that the Maintenance Supervisor's Report be accepted.

The next School Committee meeting will be held at 10:00 on Thursday, April 16th.

POLICY FOR SCHOOL MAINTENANCE

It was moved and carried that the following policy for maintenance be accepted.

Organizational procedure between maintenance department and school committee.

1. Take directions from School Committee through Assistant Secretary-Treasurer.
2. Have maintenance work executed in accordance with policy, as interpreted by Assistant Secretary-Treasurer; utilizing the Maintenance Committee Chairman as consultant when required.
3. All maintenance inquiries and requests to be made through the Assistant Secretary-Treasurer.

Duties of Maintenance Supervisor:

1. Develop and maintain priority program; recognizing and handling emergencies as they arise.
2. Keep Assistant Secretary-Treasurer informed of overall priority program.
3. Initiate and provide overall supervision for all school

BURTONSVILLE NEWS

Rev. Kennedy, Eldon Greanya, and June Homme attended the district quarterly meeting at the Free Methodist Parkdale Church in Edmonton on Saturday.

Sandra Homme spent part of her Easter holidays with her cousin Carol Kiser of Duffield last week.

The Lon Draves children of Edmonton spent their holidays in this area with their aunt Rita Mykituk and Uncle Buford Nalker's family.

Buford is at Fort MacMurry for a few days.

Eldon and Marge Greanya and family and LeRoy dined with Axel and Emma Homme on Sunday. Sunday evening while doing his chores, Eldon was kicked in the leg by a horse. Fortunately there were no broken bones and the injury was not too serious. He is able to continue his work with a stiff limp.

School holidays ended all too soon for many children.

Mary Tattersall enjoyed a short visit with Mildrid Henkel of Drayton Valley on Monday.

Spring seems close and pussy willows are out along the road.

maintenance work insuring its execution in an effective and efficient manner.

4. Keep continuous inventory of all School Committee Maintenance Department Assets.

5. Prepare a detailed proposed annual budget with consultants, Assistant Secretary-Treasurer and

Chairman of Maintenance Committee to be recommended to the School Committee by March 1st of each year.

It was moved and carried that recommendation for 1970 salaries for the Maintenance Crew be recommended to County Council for acceptance.

Carnival Scenes

New Dog Warden Likely for Town

Town Secretary Bill Johanneson stated that in recent conversation with Mr. Olsen of Canadian Protective Animal Services, he was informed C.P.A.S. were likely going to have to beg out of their contract as all employees had quit. This of course has been the reason the town has not had any attention recently from Dog Wardens.

In anticipation of losing the services of the Canadian Protective Animal Services, Town Council has entered conversations with Mr. Robert Grant McQuire of Devon, who is the Dog Control Officer for Devon and Leduc. Mr. McQuire visited the Town Office this week to discuss the dog control situation in Drayton Valley and has indicated a willingness to act as Dog Warden for the Town of Drayton Valley.

It is expected legislation will have been enacted to appoint Mr. McQuire as Dog Warden for the Town of Drayton Valley effective on the 16th day of April, by date of this publication.

Town council solicits your support and full cooperation in aiding the Dog Warden in the carrying out of his duties.

N.D.P. to Hold Public Meeting

A public meeting in Drayton Valley is planned by the New Democratic Party Association of the new Drayton Valley constituency.

The meeting will be held in the Legion Hall at 8:00 p.m. on Tuesday, April 21st. The general public is invited to attend to hear Provincial Leader Grant Notely speaking on topics concerning this area and the province as a whole.

THE TOWN OF DRAYTON VALLEY PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the Council of the Town of Drayton Valley do propose to pass a Bylaw No. 496 of the said Town of Drayton Valley.

The purpose of Bylaw No. 496 is to close the lane running East and West in Block thirty-seven, (37) in Plan No. 3431KS, which lane is bounded on the North by lots 9 and 25 and on the South by lots 8 and 25, all being in the said Block 37 in Plan No. 3431KS in the Town of Drayton Valley, in order that the said lane may be converted to developable land of the same zoning classification as the said lots 8, 9, 25 and 26 in the said Block 37, Plan 3431KS.

Copies of Bylaw No. 496 and the print showing the parcel in relation to the balance of Block 37 in Plan 3431KS may be inspected in the Administration Office of the Town of Drayton Valley, in the Town Hall in Drayton Valley. Also copies of the Bylaw may be inspected in the following other places in the Town of Drayton Valley.

Bambee's Confectionery
Pembina Drug Co. Ltd.
The Bay

Getzinger's Super Market
Block's Store
L.B. Motors (1969) Ltd.

The Council of the Town of Drayton Valley will hold a public hearing on the proposed Bylaw No. 496 on the 14th day of May 1970, at 3:00 p.m. in the Council Chambers of the Town Hall for the purpose of receiving recommendations, suggestions, and/or objections, to the said Bylaw No. 496.

Town of Drayton Valley

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending April 11, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	6600	5450	1150	3250	10
Last Week	5935	4272	1663	3823	169
Same Week (1969)	5870	4637	1233	1764	74

SUMMARY

Receipts were slightly higher this week. Replacement cattle and calves made up approximately 75 per cent of the sales. Heavyweight butcher steers and heifers were noticeably scarce during the week. Trade was moderately throughout. There was some pressure on most all butcher classes, with slaughter steers and heifers selling evenly and closing 25 to 50 lower. Butcher cows were meeting a lower demand at prices from 50Cents to \$1.00 lower on all grades. Bulls were 50 lower. Veal and butcher calves 1.00 to 2.00 lower as supply increases. Hogs - 1.50 lower, old crop lambs unchanged.

SLAUGHTER CATTLE & CALVES:

Slaughter steers opened the week generally steady with a few top notch clean heavyweights selling for 32.40. There was some buyer resistance to the quality on offer at mid-week with most sales closing 25 to 50 lower. Heavy butcher steers were being sharply discounted from 1.00 to 1.50. Butcher heifers also opened steady with sales to 30.50 but in closing trade prices were slightly lower for the quality on offer. Butcher cows opened 50 lower and sold lower as the week advanced with all grades selling a full \$1.00 lower as the week closed. Good cows closed at a practical top of 23 with a few sales higher. Bulls were 50 lower.

REPLACEMENT CATTLE AND CALVES

The replacement trade saw the most action with a good demand for good quality green replacements which sold at generally steady prices throughout the week. Fleshy replacements and common to medium quality kinds were mostly 1.00 or more lower in price.

SHIPMENTS

Out of Province shipments last week - East 50 for slaughter, 340 feeders. West to B.C. 285 for slaughter, export 51, feeders to southern Alberta area 1400.

CLOSING QUOTATIONS

SLAUGHTER CATTLE

Choice steers 31 to 31.50, good 30.50 to 31, medium 28.50 to 29.50, Choice heifers 29.50 to 30, good 29 to 29.50, medium 26.50 to 28.50. Good Cows 22 to 23, odd sale higher, medium 19 to 21.50. Cannors & Cutters 17.50 to 19. Shells 16 to 17. Good bulls 25.50 to 26.50

REPLACEMENT CATTLE AND CALVES

Good feeder steers (750 and under) 34 to 38, (750 and up) 30 to 33, common to medium 27 to 34. Good feeder heifers 29 to 33, common to medium 24 to 29. Stock cows 19 to 26. Good stock steer calves 38 to 45, according to weight, odd lightweight higher, common to medium 33 to 37. Good stock heifer calves 33 to 38 odd sale higher, common to medium 29 to 33

SLAUGHTER CALVES

Good to choice veal (350 and under) 50-54, Butcher calves (good to choice) (350 to 450) 38 to 46, (450 and up) 28 to 36.

HOGS

Butcher hogs - Base Price Edmonton Stockyards - Monday 30.20, Tuesday 29.65, Wednesday 29, Thursday 28.85, Good boars steady at 15.50 per CWT. 840 feeder hogs sold Tuesday and Thursday afternoon ranging from 32.00 per CWT. for 100 lb. feeders down to 23.50 for heavier kinds. Weaners and light feeders sold by the head ranging from 10.25 for 22 lb. weaners to 30.00 for 80 lb. feeders.

SHEEP AND LAMBS

A few good butcher lambs brought 29.00 per CWT.

KEEPPHILLS NEWS

Guests at the Clarks at Highvale on Sunday were Eddie and Laura Bacon and family of Keepphills; Wayne's father and stepmother Mr. and Mrs. D. Clark; his sister Mildred and two children and his brother Dale and family, all of Edmonton.

Elva Clark was in Edmonton over last weekend for the provincial bowling championship.

The sewing classes and the keep fits are coming to a close, April 16th being the final day. We've all enjoyed getting out as well as the help and instruction we needed and meeting new friends.

Mrs. Cora Boles from Crossfields, Alberta visited her daughter at Edson recently then stopped off here and spent several days with cousins here, Mr. and Mrs. Roy Schwietzer and Nora Dombrsky.

Mr. and Mrs. G. E. Raymond are selling their house and land here and plan to move into a trailer.

Eddie Bacon will be working with the County which brings him closer to home with his work. He has been at Lodgepole.

A.A.R.N. MEETING

An A.A.R.N. meeting will be held on Wednesday, April 23rd in the Nurses' Residence.

There will be further discussion on holding a drug seminar and election of officers.

Boxing Card Planned Sat.

Members of the Breton Boxing Club will present a 10-bout amateur card in St. Anthony's School at 8:00 p.m. on Saturday, April 18th.

Several Drayton Valley boys belong to the club and are scheduled to fight Saturday. Among them are Walter Mastre, Bert and Ray Duperron and beginners Morris Tochenuk and Brent Hodgson.

The club needs your support, come out and help the boys. Admission is adults \$1.25 and students 75¢.

C.W.L. Holds Regular Meet.

Drayton Valley C.W.L. met on Monday, April 6th. for its regular meeting with eleven members present.

President Lil Hook extended a thank you to all who helped with the Bingo, Hunger meals and to those who attended the World Day of Prayer.

After the old business Mrs. Hook stepped down and presented newly elected president Betty McGee with the gavel.

Mrs. Comeau and Mrs. Cibuliak agreed to canvass for the Bible Society.

Members were reminded of the annual Mother's Day Bake Sale, May 8th.

During lunch, which was served by Cecile Cibuliak and Theresa Comeau, all members took part in a discussion on drugs, next meeting, May 4th at 8:00 p.m.

MAGNOLIA NEWS

Two sets of triplet lambs have arrived in this area this spring. August Reich is the proud owner of the first set and Ada Anderson owns the second set. They report both sets are doing fine.

Mr. and Mrs. A. Johnson and family attended the rodeo in Edmonton during the afternoon of Sunday, March 29th. They report enjoying it immensely.

Charles Churchill of Calgary and his fiancé visited with Mr. D. Churchill during the Easter week end.

Recent visitors at the home of Alex and Joan Negraiff were Bill and Lena Hadiken with daughter, Eileen, and sons Nick and Lawrence of Saskatchewan, for the weekend of March 19th. Also visiting was Mrs. Negraiff, Sr., Alex's mother, of Edmonton, who enjoyed the country and the grand children during the Easter week.

There's rejoicing in the Anderson and Campbell homes this week, as Mr. Charles Anderson was able to come home from the hospital on April 4th. He must now rest and recuperate.

Best wishes go to Phillip Chochotko who celebrated his eighteenth birthday on March 31st with a family dinner party. Doug MacDougall, Colin, Fred and Danny McCracken and Debbie Winczura were his guests.

The teen dance which was held in the hall on Friday, April 3rd was not very well attended.

Easter weekend guests with Ray and Della Storms were Fred and Marilynnne Larson and family of Grande Prairie.

Happy birthday to Linda Negraiff, who was six on April 2nd. Her birthday was celebrated with a family party.

Nora McCracken accompanied her brother John and his wife Myrtle to their home in Kamloops

after their Easter visit with the McCracken family. Bob, Gail, Danny and Colin drove out to Kamloops on Friday, April 3rd, to visit and bring Nora back. On their way home, they visited with their neice, Julie Wildeman and her husband, Nora tells me that the trees there are in full leaf already.

Orris and Dorothy McWillis entertained Mr. and Mrs. Ralph Vawter of Fenlac, Saskatchewan, and Mr. and Mrs. David Vawter of B.C. with their four children, on Good Friday. Mrs. Ralph Vawter is Orris' sister.

Easter Sunday dinner quests with Mr. and Mrs. Mason in Edmonton were Alex and Joan Negraiff and family. Mr. and Mrs. Mason are Joans' parents.

A double birthday and Easter Sunday dinner was held at the Campbells. Sandra was 14 on March 28th and Gene was 21 on Easter Sunday. Dinner guests were Mrs. C. Anderson, Ed, Ada, Fraser and his girls.

Fred and Hazel Jackson, nee June, with their three sons arrived on Good Friday from B.C. to spend the Easter weekend with Dean and Betty Strangway. While here, they visited other relatives.

Allan, Brenda, and Larry Walker were accompanied by Mr. and Mrs. Harris and Eldon to partake of Easter Sunday dinner with Don and Connie Rose.

Dennis Vert of Altario, Alberta is visiting with Allan and Brenda Walker. Dennis is a nephew of Allan's.

Mr. and Mrs. Onyschuk and Lil, Sharon and Henry, and Judy and Terry all dined with August and Mary Reich on Easter Sunday.

Good Friday dinner guests with Mr. and Mrs. Christianson were son Ollie and family and Al and Alma Roth with their young folks,

Danny and Coreen.

The Community is pleased that our friend, Mr. Churchill is home after a ten-day stay in the hospital.

Larry Walker is proudly driving a blue 1966 Chev Impala. It is a sleek two door, hard top.

Colleen Campbell celebrated her eleventh birthday on April 6.

Ray and Della Storms spent Sunday, April 5th with the E. Stables in Drayton Valley.

TOWN OF DRAYTON VALLEY

PUBLIC NOTICE

The Council of the Town of Drayton Valley asks for the cooperation of every citizen of Drayton Valley in the enforcement of the Town's Business Licence Bylaw, particularly as it relates to transient traders, hawkers, peddlers and door-to-door salesmen.

Whenever one or more of these individuals come to your door and attempts to solicit your business, you should ask to see his Current Business Licence as issued by the Administration Office of the Town of Drayton Valley. In the event that he has no current business licence we would ask that you advise the Administration Office -- Telephone 542-3327 or the Police Department -- Telephone 542-3326 -- Immediately. If you can procure the identification and address of the individual/individuals this can help in following up your report.

Action as related above aids in the fair and equitable enforcement of our Business Licence Laws and can also protect our citizens from being bilked by unprincipled salesmen.

YOUR COOPERATION IS EARNESTLY SOLICITED

Town of Drayton Valley

D.B.S. Surveys Prairie Acreage Intentions

OTTAWA -- Canada's current wheat surplus problem can spill over into other grains.

If farmers carry out their intentions, as outlined in the March 18 statistics released by the Dominion Bureau of Statistics, enough acreage will be planted to crops to put pressure on the prices for durum wheat, oats, barley, rapeseed and flaxseed.

It is taken for granted that the March 18 figures on planting intentions will be adjusted by farmers since many had returned DBS questionnaires before they had complete information about the Wheat Inventory Reduction Program.

But, if prairie farmers do carry through with their intentions as outlined in that survey, here's what will happen:

WHEAT

The DBS says acreage will be cut by 26 per cent to 18.5 million acres. However, Canada already has enough hard red spring wheat (950 million bushels) to meet anticipated domestic and export demand for two years of normal trade. The market for wheat in 1971-72 and for the next few years is not expected to exceed 400 million bushels for export. There will be strong competition for markets because world stocks of wheat are high. There is an urgent need to decrease production.

DURUM WHEAT

The DBS survey indicates that durum wheat acreage will increase by 37 per cent to 4.3 million acres. That could result in a sharp increase in durum stocks following the 83-million-bushel crop last year.

Total world exports of durum in any one year average about 70 million bushels. Recently, less than a third of the world trade has come from Canadian exports.

If farmers carry through with their intentions, there will be a buildup of durum stocks and prices will likely decline.

OATS

Farmers indicated they plan to increase oat acreage this year. That could only be expected to lead to even lower prices, unless a substantially increased proportion of oat acreage is used as green feed.

At the November, 1969, Agricultural Outlook Conference, it was suggested that oat harvests of more than 300 million bushels for the next two years would depress prices below the current levels of 66 cents (No. 1 Feed, Lakehead).

An acreage reduction from 7.9 to 6.5 million was expected to produce adequate supplies. Since November, freight assisted movements have increased only very slightly from the previous year and no significant exports have been forthcoming or are expected. Carryover is likely to be at about 175 million bushels at July 31, 1970, compared with 128 million at July 31, 1969.

BARLEY

The DBS figures indicate farmers plan to increase plantings by five per cent, pushing acreage over the 10 million mark.

Any production beyond the 9.5-million-acre mark will increase

the 1969 carryover of 380 million bushels. That will put further downward pressure on prices through 1970-71 and beyond.

Since the big price reductions in March, 1969, prices have remained steady, but the United States recently introduced export subsidies. Carryover at July 31 may be about 220 million bushels, a higher than usual level and more than 20 million bushels higher than the previous year.

Barley moved under freight assistance is running somewhat higher than expected last fall and domestic use might be 20 million bushels higher than expected. Exports, however, may not quite reach the higher levels expected last fall.

Corn production is expected to increase in eastern Canada this year. In addition, United States corn acreage will likely be higher. Barley will, therefore, have to compete with increased corn supplies. The heavy supplies of feed grains expected to be available to all parts of Canada are likely to result in prices at least as low as 1969-70, and increased production may pressure prices even lower.

RAPESEED

Although the long-term outlook for rapeseed remains good, the shorter term indications are less optimistic.

DBS figures indicate farmers intend to increase acreage by 88 percent to 3.8 million acres. That could result in a crop of 70 million bushels, leading to a very large carryover of stocks and prices below \$2.00 a bushel.

The indications are that our carryover at the end of this crop year will be lower than expected -- about five million bushels. Exports this coming year will probably be about the same as during 1969-70 (about 20 to 22 million

bushels), although there are uncertainties concerning sales to Europe.

A crop of 45 million bushels or slightly higher would likely result in prices around the \$2.00 to \$2.25 level per bushel (No. 1 Lakehead).

An acreage of about 2.5 million acres seems warranted.

U. of A. Prof. Impressed with Local Art

Professor Harry Wohlfarth of the University of Alberta, Department of Extension, visited the Drayton Valley Art Club recently to evaluate the past season's course of drawing. He made favorable comments on the calibre of work done in Drayton Valley, and also chose a drawing by Mrs. Kay Fraser for exhibit at the Alberta Community Art Clubs Association Annual Conference.

In previous years Drayton Valley has been represented at the University Department of Extension exhibits, with work displayed by Margo Palmer Schmidt, Mrs. Isobel Hoyland, Mrs. Evelyn Dion, and Mrs. Pat Innis.

Several members of the Drayton Valley Art Club attended the April 3rd conference of the Alberta Community Art Clubs Association in Edmonton, where they attended a business meeting and exhibit of community art class work at Corbett Hall, and a panel discussion and exhibit at the Edmonton Art Gallery.

Drayton Valley Art Club members are presently preparing their annual exhibit to be held on Saturday, April 25th, at the Civic Centre.

ASSOCIATION ANNUAL MEETING

Annual meeting of the Alberta Provincial Consumers' Association of Canada will be held in the Corona Hotel, Edmonton, on Thursday, April 23rd. The Association's newsletter notes membership from Drayton Valley, Alder Flats, Violet Grove, Evansburg and Seba Beach.

"Marketing Boards in Alberta" will be the topic of the guest speaker, Mr. D. H. McCallum, Chairman of the Agricultural Products Marketing Council.

C.A.C. is a national organization serving the interests of all Canadians in their role as consumers.

The actions of some children suggest that their parents embarked on the sea of matrimony without a paddle.

OUTDOORS NOTES

By Marv Grue
Publicity Chairman, Pembina Oilfield Fish and Game Association

The week of April 5 to 11 was National Wildlife Week across Canada and it seems an appropriate time to look ahead at the next decade and what is in store for our environment. Will we let the world we know be destroyed by mankind, or have we reached the stage of concern that will preserve our outdoors heritage.

The question has been on my mind for some time as I look back on the early days in Drayton Valley and the Pembina Oilfield. How things have changed!

Only a few years ago you could take your family for a day's outing within 20 miles of Drayton Valley and be assured of seeing wild animals. Today, I think you could go five times that far, and see only the pollution man has left behind. Streams are polluted, natural habitat is eroded, industrial waste and the bottles, cans, garbage and other wastes of man mar the landscape. To this the heritage we will leave for future generations?

It appears to me that modern day citizens must examine ourselves and our habits and start a clean-up campaign this year that will continue in following years. Possibly we can still preserve our natural resources and the wildlife habitat that has survived for generations and should be left in the same condition for the enjoyment of the generations that follow us.

I had the privilege this spring, along with other conservationists from this province, of attending the Alberta Fish and Game Convention whose theme was "Conservation or Desolation." Won't you as a citizen of this fine country also lend your support to this theme and see if we can't leave some part of this beautiful country for our children and theirs to enjoy?

RAMONA NEWS

Sincere sympathy to Mrs. Ann Van Ember and family on the passing of Mr. George Van Ember Saturday evening.

The Ramona Community League would like to thank Mr. Mike Kmyta for the refrigerator which he donated to the hall. It will sure come in handy at our suppers, picnics and bingos. Thank you very much Mike.

Ron and Audrey Stewart of New Hazelton, B. C. motored up on the weekend and bought a horse trailer and three horses from his brother Ken. Now Ken is going to start on another trailer for himself -- or so he says.

Mr. and Mrs. A. F. Plewis motored to Edgerton on the weekend to help Dora's brother celebrate his 25th wedding anniversary. We hope you had a nice trip folks.

Daune Kmyta was home from Rocky Mountain House on the weekend.

Congratulations to Walter and Sharon Brezina on the birth of their baby daughter on Sunday. I'll bet Janette is just waiting for mom to get home with that new baby sister.

Several people from this district attended the supper and dance at Rocky Rapids Saturday night. Everyone had a good time.

Congratulations to Elsie Dusterhoft who won the \$100.00 jackpot at Whitby last Thursday. We were happy to hear this as Elsie not only works very hard at the Whitby bingos but she also supports the many other clubs around the district. Congratulations again Elsie and we hope you win many more jackpots.

BOTTLE DRIVE

Drayton Valley Cubs will hold their spring bottle drive on Saturday, April 25th. Please save your bottles for the Cubs.

MOON LAKE NEWS

Mr. Fred Banks arrived from England on Monday April 6th to visit his brother, Mr. Frank Banks Sr. for two months.

Mrs. Jean Smith reports having a nice trip to the west coast visiting with her family over the Easter holidays.

Mr. and Mrs. Hansen of Edson visited at the home of Mr. and Mrs. Fred Cherrington over the weekend.

Ralph and Laura Tufty motored to Drumheller to spend a week with their eldest daughter, Edna and family. Their daughter Lil of Calgary also arrived to visit, so all had a nice time.

For all you card players, the final whist drive of the season will be held on Saturday April 25th.

The next bingo in the hall will be held on April 23rd.

We hear Mr. Bill Cherrington was a lucky winner of \$5.00 recently on a game of chance. Another lucky winner was Jean Lang she took home an electric pop up toaster, steam iron and a cash prize from Whitby's Community Club Bingo.

A miscellaneous bridal shower will be held in the Moon Lake Hall on Sunday April 19th at 2:00 p.m. in honor of Miss Donna Cherrington.

Donna will become the bride of Rod Block of Breton on May 2nd.

Members of the West Alta Breeders Association held their annual Farmers and Ranchman's Banquet and Dance at Tomahawk on Friday April 10th. Those at-

Tender specifications should be obtained from the County Office during regular office hours.

The sealed tenders marked "Truck Tender" should be submitted to the undersigned by 12:00 o'clock noon on Tuesday, April 28, 1970.

The lowest or any tender may not necessarily be accepted.

SECRETARY-TREASURER,
County of Parkland No. 31
Stony Plain, Alberta.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

A frequent visitor to our school is the Public Health Nurse. I asked Mrs. Johnston for a list of her duties. Here is what she squeezes into her busy schedule.

1. Vision testing is done in grades 1, 3, 5, 7, and 9, new students and those referred by the teachers.

2. Hearing testing-grade three students, referrals by the teachers and those who have no record of having had a hearing test. (This is difficult in our school because of lack of space and a quiet spot. O.B.)

3. Tuberculosis skin testing is done to search out possible cases. These are rarely found among school children these days, due to improved living standards. Grades 1, 6, 10 and 12 and school personnel are done.

4. Immunization is done as needed, keeping as far as possible to the following schedule: grade 1, booster for Diphtheria and Tetanus, oral polio (Sabin) and Smallpox; grade 5 and 9, boosters similar to grade 1.

5. A preventative dental program is carried out. Children's teeth are cleaned, examined and given a topical fluoride application if the parents wish it done. Other work is referred to your own dentist.

In the school we depend a good deal on the teachers for reporting various health problems, and make home visits or contact the parents when necessary.

During the year we call for assistance from teachers for various clinics.

We are interested in preventing the spread of communicable diseases and require the parents of children who appear ill to have this child seen by the family doctor.

During pre-school registration day we meet with the parents whose children will start school in the fall. This way we are able to get a fairly complete health history of the youngsters.

What Causes Insomnia? Whispered one little grade 4 girl to her teacher after the assignment was finished. "Teacher, I can't go to sleep unless I have a kiss good-night."

EVANSBURG NEWS

In spite of cold windy days, the snow around here has been disappearing quickly and it should be very shortly before we see more definite signs of spring.

The first local auction sale of the season was held at the farm of Mr. W. Roberts on the 4th. Mr. Roberts is planning to travel a bit before settling in a new location.

The Volunteer Department held its regular meeting recently. They decided to burn off grass on vacant property, when the weather permits.

Legion and Auxiliary members motored to Drayton Valley to spend a social evening with members of other Legion branches in the area.

Several members of the Styal FUA attended the sub district annual meeting held in Wildwood.

4-H Public Speaking finals for the Stony Plain District Council

Speaking Contest At Tomahawk

The 4-H Semi-Final Public Speaking for the West hosted by the Tomahawk Beef Club, was held in the Tomahawk Hall on March 20th.

Eleven speakers took part in the competition. There was a panel of three judges who were: Rev. Mohr, Drayton Valley; Mr. Gylander, Entwistle; and Mr. Grande Seba Beach. Timekeeper for the evening was Mr. K. McKenzie of Drayton Valley. Madame Chairman was Miss Cheryl Ditchuck from the Tomahawk Beef Club.

Five clubs took part, they were Sundance Beef Club, Sundance Garden Club, Moon Lake Beef Club, Lobstick Beef Club, and Tomahawk Beef Club.

Mrs. V. Jouan presented Linda Peskunowicz with a trophy for first place on behalf of the Tomahawk F.W.U.A.

Mr. Ferrier, on behalf of Mr. Rosir, presented Terry Bentley with the second place trophy. Mr. V. Enjeski presented gifts to Judy Richter, 3rd place; Ralph Johnson, fourth place; and Kathy Goertz, fifth place, on behalf of some parents and adults in the community.

Lunch was served by the Tomahawk community club.

were held in the Evansburg School Auditorium.

The Pembina Scout Council held its regular meeting, this month in the Evansview School. Final plans for Camparee and Cubaree were made.

Members of the Lobstick 4-H Beef Club held a beef judging competition, along with four other clubs, at the Leo Miko ranch recently.

Three members of the Pembina 4-H Field Crops Club who submitted exhibits at the Calgary Seed Fair were: Dawn Brown who placed second with her project book, Zane Bruner who placed 16th with his and Ted Bruner who topped the merit class with his sample of feed barley.

Ladies of the UCW held their meeting recently. Main topic of the evening was discussion of the forthcoming tea and bake sale to take place on May 9th, in the United Church Basement.

Mrs. Anna Otto of the Meridian Lodge spent a few days with her son Mr. Justus Otto and his wife recently. During her stay in Evansburg, Mrs. Otto celebrated her 89th birthday. Congratulations and many happy returns, Mrs. Otto.

Get well wishes also to our son, Jeff who came home after a week in an Edmonton hospital and had to go back after spending only a few days at home.

Get well wishes go out to Mr. Ivan Brown who is in the Drayton Valley Hospital.

Bingo Winners

Final two winners of Air Cadet Bingo drawn at Monday night's Legion Bingo were Mrs. Ann Van Ember, Berrymoor, outside ring and Mrs. Betty Woolen, Camwood won the balckout.

COUNTY OF PARKLAND No. 31

WEED ESSAY CONTEST - 1969

The Weed Essay Contest is again being sponsored this year. The contest is open to boys and girls between the ages of 12 to 18 years and living in Alberta or the three prairie provinces and the 14 north central States. The contestants family must be actively engaged in operating a farm.

A \$25.00 award will be given to the best essay in this province. The grand prize is a \$300.00 scholarship awarded by the North Central Weed Control Conference.

Title of the essay is "How We Control Weeds On Our Farm". The essay should deal mainly with how and methods used to control weeds on our farm and not a general weed control method.

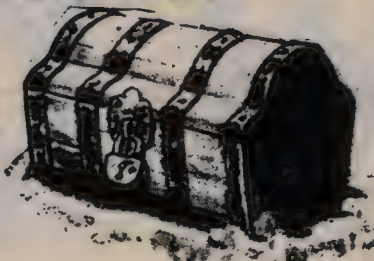

All students in this age group should consider this worthwhile scholarship. Further information may be obtained by contacting your District Agriculturist or Agricultural Fieldman.

Oil Wives Meet for Regular Session

The April meeting of the Drayton Valley Oil Wives was held in the Cardium Room on April 13. There were 76 members and 8 guests present. Special guests were Altha Davison and Kay Meraw, Board members.

The meeting was chaired by president, Betty McGee. A vote was taken as to whether there would be a barbecue and dance instead of the June meeting. It was decided that June is a busy month in the community and a meeting will be held.

Micky Jacobson asked that all nominations for Honorary Member be given to Dot Booker by April

LODGEPOLE NEWS

The annual meeting of the Recreation Centre and Community Hall was held last Tuesday. A new slate of officers was elected with Mr. McGregor as President. Mr. Kay as Vice-President, Mrs. Broderon the Treasurer and Mrs. Schultz continues as Secretary. Mrs. Berglund and Pederson are Committee Members. Thanks and appreciation of service are extended to Mr. R. Nelson and Mrs. T. Woytovich as retiring officers.

The Brazeau Forestry tower has been opened for the summer season with Allan Norstrom in charge.

Mr. R. McGregor spent the weekend in Calgary attending the reunion of the Calgary Highlanders. Nine inches of snow and a blizzard warning marred the trip home.

The Forestry Service will be showing films at the school on April 20th at 7:00 p.m. Everyone welcome.

Many residents enjoyed the holiday to various points. A few of these were the Olsons who travelled far south and enjoyed a trip through Disneyland. The Nelsons visited at Cold Lake and Red Deer and Mr. and Mrs. Woytovich were to Athabaska and Mr. and Mrs. Kay spent the weekend in Edmonton. Mr. and Mrs. Dubina travelled through the interior of B.C. A falling rock at Golden caused a large dent in the car and several uneasy moments.

17th. Donna Goble interviewed the executive as to the duties and activities of each. Marilyn MacLean gave a review of when and where the baby-sitting course will be held in September. Plans will be made known to the public in June.

A float is to be designed for the coming rodeo parade in June. Kay Meraw was nominated to run again for Board member for the next term. Nominations were taken for next year's executive. Mrs. Davison explained her duties as Board Publicity and Historian Chairman.

A few members presented entertainment which was part of the campaigning for Kay as the convention last fall.

A spelling bee ended the evening with Lynda Shirvell winning the prize for the best speller.

The next executive meeting will be held at the home of Micky Jacobson on May 5th.

WHO'S NEW

April 6 - Mrs. William Gilchrist (Rose), Berry Moor, girl, 3340 grams (7 lbs. 6 ozs.).

April 8 - Mrs. Edwin Zutz (Marcia), Tomahawk, girl, 4070 grams (8 lbs. 15 ozs.).

April 8 - Mrs. Arnold Bryant (Audrey), Winfield, girl, 2870 grams, (6 lbs. 5 ozs.).

April 8 - Mrs. Donald Reum (Katherine), Drayton Valley girl, 2340 grams (5 lbs. 2 ozs.).

April 8 - Mrs. Robert Van Ember (Saundra), Berry Moor, girl, 2810 grams (6 lbs. 3 ozs.).

The winner of this weeks baby contest is Mrs. Edwin Zutz with her daughter weighing 4070 grams She may pick up her baby spoon at:

Snow Mold Problem for Town Lawns

The chances are very good that there will be at least two new chemicals on the market by next fall for controlling snow mold. The two that have been tested locally have both shown snow mold control that is superior to that achieved in the past by the mercury compounds.

In the meantime Dr. H. Vaartnou, plant pathologist with the Alberta Plant Industry Division, recommends raking patches of snow mold off lawns, unless the infestation is very severe and the nights are cold and damp. In fact, he suggests raking all lawns in the spring because it helps to dry out the grass and makes the turf less susceptible to snow mold.

Dr. Vaartnou recommends treating patches of snow mold which are so severe that they are likely to kill the grass, with a mercury compound such as Panogen Turf Fungicide. The rate is 2 ounces in 10 gallons of water for 1,000 square feet of area. If a watering can is used, the 2 ounces of fungicide should be mixed with 50 gallons of water to treat the same sized area. Non-mercuric fungicides such as Kromad and Cadmate do a fairly good job when applied as a spray at the rate of 2 ounces in 10 gallons of water. Again, if a watering can is used, the volume of water should be increased from 10 to 50 gallons.

Dr. Vaartnou stresses that to be really effective all fungicides should be applied as the snow is receding, but later applications will help to reduce the infection if environmental conditions remain cold and wet.

Typical characteristics of snow mold are small or large irregular patches of white, grey or greyish pink cobweb like material on the grass. Three of the five fungi which cause snow mold produce brown or black spots on the blades of grass. When these are present the cobweb effect may not be evident, having already disappeared.

Finally, since fungicides are poisonous to people and animals, they must be used strictly according to label directions.

JOHN HANSEN SAYS

A Bonus Savings Account is the ideal way to build up your nest egg. You can withdraw money any time, but only at the bank, so you're not tempted to write cheques. With a Bonus Savings Account, you tend to save more. And you get a big 6½% calculated monthly, credited semi-annually. Match up a Bonus

Savings Account with a Royal Bank Personal Chequing Account for paying the bills. And take this hint from me: save for something.

I'm happy to pay you 6½% on a Bonus Savings Account. And just as happy to take an even bigger interest in you. That interest adds up too. Drop in and see.

We like to look after you at the ROYAL BANK

Drayton Valley — Phone 542-3371

Cub and Scout News

A-PACK

This Drayton Valley Cub Pack has been busy working for their proficiency badges:

The boys are: Colin Donovan, 1; Kim Boles, 1; Brian Kenworthy, 1; Greg McGinn, 2; Erin Ross, 1; Chris Machan, 2; Carmen Reich, 1; Clement McCartney, 1; Dennis Knapp, 2; Victor Demers, 1;

Cubs earning stars are: BLUE STAR- Andy Lewis; Norman Ingram, Boyd Harris; Dale Snider; Murry Howatt, BLACK STAR-Dale Lochance; Boyd Harris; Kim Boles; Greg Woods and Murry Howatt, GREEN STAR-John Suffron, Donald Armstrong, and Kim Boles, RED STAR-Kim Boles, John Suffron, Dennis Knapp, and Carmen Reich.

On April 1, 1970, "A" Pack played hockey against "B" Pack that ended in a 2 - 2 tie. The "A" Pack wish to take this time to thank "B" Pack for the challenging game.

B-PACK

The Cubs of B-Pack have been working hard to get their stars and badge work done before rally time. We now have 30 boys in the pack and one new chum. The following boys have earned proficiency badges: Frank Stables, 2; Kevin Kelso, 2; Bradley Brown, 1; Terry Carrothers, 4; Marvin Androschuk, 1; Anthony Lambert, 1; Michael Chymaycz, 1; Dale Luc, 2; Brent DesBrisay, 1; Cameron Turnbull, 1; Murrey Chaput, 1; Larry Redford, 1; Barton Pederson, 1; Shawn Turner, 1; Daryl Harrison, 1; and Kevin Mundle, 1;

Cubs earning stars are: RED STAR-Melvin Moltzan, Danny Innis, Ronald Meyer, and Terry Carrothers, GREEN STAR-Barton Pederson, and Bernhard von Tettenborn, BLACK STAR-Kevin Kelso and Dale Luc.

The Cubs of B-Pack would like to thank the Cubs of A-Pack for the treats after the hockey game. They would also like to thank the Group Committee for arranging the hockey game between the A and B Cub Packs.

SCOUTS

The Drayton Valley Scouts had a toboggan party early in March, all having a good time.

The boys are preparing for the coming Camporee that is held yearly at Lake Isle.

A campout is planned for the

Canada to Press For Open Oil Market

The Canadian Government will continue to press for an "open market" for its oil in the United States despite the recent U.S. decision to cut back on imports of Canadian crude, reports Maurice Cutler, Oilweek's Ottawa editor.

Energy Minister J. J. Greene told Cutler he regards the decision as a "short-term adjustment. Nevertheless the government will press for an "open market" for Canadian oil in the U.S.

Earle Gray, the Calgary-based editor of the national business publication, maintains that reduction of U.S. oil imports from Canada is more apparent than real as the effects of imposed 395,000 barrels a day quota will hardly be felt for several months because even without quota, exports would have been cutback due to a lower seasonal spring demand

Nixon administration officials in Washington insist the cutback is "temporary" and that the step was taken because growth of shipments had got out of hand. President Nixon explained that controls had become necessary because the 1967 voluntary control agreement between Canada and U.S. had proved "unworkable."

No one in Washington government circles is predicting when the two countries might agree on a policy of free exchange of energy resources as suggested by President Nixon.

New 395,000 b/d ceiling is cutback from current flow of 550,000 b/d, but still well above last year's average of 351,000 b/d and substantially more than 332,000 b/d level specified for 1970 in 1967 agreement.

weekend of April 25th and 26th, weather permitting.

Mr. Ian Hoyland, an active member in the Scout group has been hospitalized, but from all reports is doing well, all the best to you Mr. Hoyland.

The Scout group could use some more leaders, if interested please phone Mr. Miner at 542-4243.

Roadside Pollution

OTTAWA -- Farmers may be able to combat roadside lead pollution from cars, trucks and buses by fighting back with fertilizers, lime and soil organic matter.

Scientists at the Canada Department of Agriculture have confirmed earlier research report that exhaust from cars, trucks and buses is polluting roadside soils with an extra dose of lead.

The specialists at the Soil Research Institute have also established that roadside plants absorb some of this lead, in some cases at levels which some experts consider excessive.

And they have learned that this plant uptake of lead can be reduced by:

- raising the soil pH to make it less acidic (by adding lime).
- adding phosphate to tie up the lead into harmless compounds the plants can't absorb.
- adding soil organic matter which also ties up the lead in unusable compounds.

The experiments were conducted by Dr. A. J. MacLean, Dr. R. L. Halstead and Dr. B. J. Finn of the Soil Research Institute.

They sampled plants and soil from both the east and west sides of a highly-travelled Ottawa city street.

Both the plants and soil closer to the road had more lead.

Other researchers have reported that lead concentration is higher in urban than in rural soil and plants.

The report of the research is contained in a recent issue of the Canadian Journal of Soil Science.

D.V.H.A. REGULAR MONTHLY MEETING

Regular monthly meeting of the Drayton Valley Hospital Auxiliary will be held on Thursday, April 16th at 8:00 p.m. in the Nurses' Residence.

THE HOMEMAKER

UNDERLAYS IN CARPETING -

It is said that a poor carpet needs an underlay, and that a good carpet deserves one.

The pile on your carpet gives it beauty and takes the wear. It is firmly locked to the backing; but if the backing breaks down under the daily tread of feet and grind of hidden dirt, the pile sheds and cannot do its job.

Undercushion is your carpet's hidden shock absorber. This protection is every bit as necessary as the shock absorbers on your car. They're hidden too; but if they weren't there you would have a very rough ride and soon, no car. Price-good underlay usually ranges from \$1.95 to \$3.95 per square yard. The \$3.95 would be softer with more luxury feel.

RUBBER UNDERLAY-Waffle foam (a bubbled rubber) is soft and luxurious. Solid rubber is generally thicker so costs more.

POLYFOAM UNDERLAY-this is chips of rubber glued together. It is not as highly recommended as the Waffle Foam or Solid Rubber.

FELT UNDERLAY-felts can cause allergies. Therefore they are usually rubberized to reduce the fuzz flying around.

Rubber underlay may not last as many years as felt, but rubber gives more resilience.

INSTALLATION OF CARPET AND UNDERLAY-Rates range from \$1.25 to \$2.50 per square yard to lay both carpet and underlay. So, when you're quoted a carpet price at "\$x/sq. yard" don't forget to include the cost of installation and underlay. This means that a \$12.95 sq. yard acrylic carpet may cost you \$17. per square yard when the installation and underlay costs are included.

CHAMBER OF COMMERCE EXECUTIVE MEETING

An executive meeting of the Drayton Valley and District Chamber of Commerce will be held at noon, Thursday, April 16th in the Cardium Room. All executives are requested to attend if possible.

A.C.W. Meets

At the last regular meeting members of the A.C.W. were advised that the recent Bake Sale at Blocks Food Store raised \$88.00. A collection of penny bags saved over the past year raised \$73.00 and will be donated to the Primrose's World Relief Fund.

The playful support, and visiting of the sick in the Drayton Valley Hospital are just some of the recent activities of this small group of Anglican Church Women. Friendliness, awareness of local need, and the Christian Spirit of working together with a common aim is commendable in any church organization.

The measure of success depends upon results seen and unseen, however, the total exclusion of bible study, prayer, missionary support and evangelism make mockery of any church group. In an age when church attendance is falling it would be encouraging to find the 'Marthas' and 'Marys', assisting each other in a balanced approach to the work of the church.

Datsun 1600 has everything you need to get ahead

Datsun 1600 is designed to get you where you're going as quickly, comfortably and economically as possible.

There's a powerful 96 h.p. overhead cam engine under the hood. It's a rally-winner. Freeway eater. You get all the acceleration you need for passing, all the handling ability you need for parking, and more gas mileage than you ever thought possible.

And that's not all.

The Datsun 1600 is big where it counts.-The

inches are on the inside, not on the outside.

It comes loaded with extras that others call options. And it costs around half what you can pay for a big car.

Which is the whole point.

If you're looking for a car that gives you a little luxury, a lot of performance and a great deal of economy, buy a Datsun 1600 and invest all the money you save. It will help you to get ahead. Of the game.

\$2185

CARD OF THANKS

We wish to express our sincere thanks for the expressions of sympathy in the recent loss of our beloved mother. Special thanks to Father Lynch and C. W. L. members.
Louise Bouffard and Sisters

On behalf of the Lobstick 4-H Beef and the Pembina Field Crops Clubs, I would like to give special thanks to Mr. Ken McKenzie for his co-operation in the organization and use of the curling rink in the recent 4-H Bonspiel, held on February 22nd in the Drayton Valley Curling Rink.

Following the Spiel, a buffet-style supper was served in the Drayton Valley Legion Hall. Thanks to the businesses of Drayton Valley for sponsoring the meal as well as special thanks to the mothers who prepared and served the meal. The fine work of everyone concerned, resulted in the huge success of the bonspiel. Thank you again to everyone making it possible.

Larry Slemko on behalf of Lobstick 4-H Beef Club.

Prudence is the knowledge of things to be sought, and those to be shunned.
- Cicero

WHEAT POOL MAKES PATRONAGE REFUNDS

The Alberta Wheat Pool has issued refunds on patronage by members in the 1968-69 crop year. Cheques totalling \$1,027,570 and ownership statements amounting to \$1,631,280 were mailed on Thursday, April 9th to Pool Agents for distribution to member patrons. The refund totals \$2,658,850.

In 1968-69 the Pool handled 81,112,978 bushels of grain and 14,240,961 pounds of forage seed. Fertilizer and field crops chemical sales also resulted in considerable savings to member-owners.

The refund on the principal grains is 2.607 cents a bushel, made up of one cent a bushel in cash and 1.607 cents a bushel in reserve credits. The refund on wheat, oats, barley, flax, rye and rapeseed purchased by the Pool for use as seed is 7.5 percent of the dollar value, three percent in cash and 4.5 percent in reserves. There is also a refund, in reserves, of three percent of the dollar value of forage seed purchased from members.

Education Commission

Albertans from every walk of life will have an opportunity to voice their opinions when the Commission on Educational Planning opens a series of province-wide public hearings April 28 in Lac La Biche.

The hearings, which will be held in other key communities during May and June, are aimed at stirring public dialogue on all aspects of education, says Dr. Walter H. Worth, Commissioner for Educational Planning.

Established by the provincial government last June, the commission has the task of trying to chart the educational, economic and social futures of Alberta during the last third of the 20th Century. The commission is to submit its report during 1972.

Art Awards Presented

Two art scholarships were announced at the annual meeting of the Alberta Community Art Club Association April 4th.

Mrs. Wyn Palmer of Canmore was named the winner of the Department of Extension (the University of Alberta) Scholarship and Mrs. Dorothy Gardner of Ponoka received the Maxine McCleay Ross Memorial Award presented by the Earl of St. Andrews Chapter, I.O.D.E. of Edmonton.

Mrs. Gardner was also elected President of the Alberta Community Art Club Association.

The meeting was held in Corbett Hall on The University of Alberta campus and was sponsored by the Department of Extension.

More than 75 persons attended the annual meeting from 21 centres including Drayton Valley.

the Bay Carpets Capture Your Style

1970
Hudson's Bay Company

"Country Fun"

Exciting Creslan acrylic is a top quality fibre from Cyanamid of Canada Limited. Its expertly combined components bring you a masterful balance of the features most wanted in a carpet: soft, "natural" body and resilience, clear, true, color-in-depth, and built-in talents for an easier more carefree way of life. Colors Gold, Moss, Blue, Red, Olive, Orange Fire, Brandy. Reg. 13.50 sq. yd. installed.

sq. yd. 11.88

"Castle Twist"

A unique combination of two man-made fibres, skillfully blended for extra elegance and endurance. Densely woven or tufted, Propylon gives you the foot-pampering, eye-delighting, long-wearing carpet you want-plus the easy-care features that can be yours only with a man-made fibre... a Celanese fibre, made by men with women in mind! Colors Spice, Olive Green, Blue, Gold, Red, Coppertone. Reg. 15.95 sq. yd. installed.

sq. yd. 13.66

"Young Moderns" Shag

Textured shag, in lively 2-color combinations of continuous filament nylon fibre - the strongest, hardest-wearing fibre ever used in carpets. Easily cleaned, moth and mildew proofed. Colors: Pink Magenta, Temple Gold, Wisteria, Palace Marble, Flame Red, Azure Blue, Golden Lime, Tropic Moss, Hibiscus Orange, Golden Pineapple. Width 12 feet. Regular 12.95 sq. yd. installed.

sq. yd. 10.88

"Ridge Trail"

Random-sheared high/low loop texture in flowing pattern of 100% Creslan Acrylic high lustre yarn showing shearing highlights. Colors Green, Moss, Blue, Gold and Red. Reg. 12.50 sq. yd. installed.

sq. yd. 10.88

"Tweedtex" Trilan Multi-Tones

Multi-tone beauty with a high-low tweed look for surface interest. Long-life Trilan is easily cared for, enhances your home. Choose from many color combinations in browns, greens, blues, golds. Width 12 feet. Reg. 9.95 sq. yd. installed.

sq. yd. 7.95

"Leisure Turf" In or Out

Versatile indoor-outdoor pile carpets that give poolside, terraces and rec rooms the luxury broadloom look. Sun and rain resistant, it defies rot and mildew, is unaffected by salt and virtually static-free. Colors Dynasty Gold, Valley Green, Avocado. Width 12 feet. Reg. 8.95 sq. yd.

sq. yd. 6.95

"Acadia Twist" Creslans

Have these eight special advantages of Creslan - superior color, excellent resilience, luxury-look longer wearing life, easy care, excellent appearance retention, moth and mildew proofed, non-allergenic. Colors Bronze Olive, Ornate Gold, Verdant Moss, Woodland Green. Width 12 feet. Regular 13.50 sq. yd. installed.

sq. yd. 11.88

Undercushions Save Your Carpets

"Promenade", resilient felt, rubber bonded both sides prevents slipping, keeps carpeting flat.

sq. yd. 1.69

"Soft Step", waffled rubber, cushions your carpet against grinding daily wear.

sq. yd. 1.69

"Ripple-Ease", undercushion of quality B. F. Goodrich rubber gives a springy lift to carpeting.

sq. yd. 1.59
